## Recovering Life Charisse, Darryl Strawberry

If you could ask Darryl Strawberry one question, what would it be? Would you ask him about baseball? Substance abuse? The role of faith and prayer in his life? Family? Cancer? Fear? Failure? Courage?? Tough to decide? Plough makes it easy. We asked Darryl all the questions we could think of, and he gave us answers - simple, honest, and hard-hitting. But we didn't stop there: we asked his wife, Charisse, to share her views as well. Think of this book as a conversation: a discourse between two people who've lived their entire shared lives in the spotlight, yet remain essentially 'ordinary' at heart. Whether you're captivated by baseball or not, you'll find yourself responding to the forthright nature of this book, which deals less with baseball than it does with issues such as battling cancer, addictions, and depression.
