## **The Key to Justice: Marc Kadella Legal Mysteries, Book 1 Dennis Carstens**

A serial killer is on the loose in Minneapolis and the head of the investigation, Minneapolis police Lt. Jake Waschke, is feeling the pressure to find him. To make matters worse, the killer strikes again, this time across the river in St. Paul, and his victim is the daughter of a prominent politician.

Just when the investigation seems to be going nowhere, the police catch a break when the killer strikes yet again, except this time there is a witness who gets the police, including Jake Waschke chasing the killer through the streets of Minneapolis. During the chase, Jake gets a good look at him and realizes his problems are only beginning when he recognizes the man and realizes he must do whatever is necessary to protect him.

A patsy is found and an arrest is made. The patsy's fate is placed in the hands of criminal defense lawyer, Marc Kadella, when the brother of the accused turns out to be a former client of Marc's. The case has heat and publicity far beyond anything Marc has ever dealt with and he tries to beg off. He knows he is over his head with a case of this magnitude and also realizes it could destroy his practice and drive him into bankruptcy. The brother convinces Marc to take the case playing on their past relationship, guaranteeing payment of his fees and Marc's own belief that the man is innocent.

As the case progresses, Marc, aided in the investigation by a stunningly beautiful private investigator, becomes more and more convinced his client is being framed. But, unless he can uncover who is framing him and, more importantly, why, an innocent man is going to take a very serious fall, Marc will be helpless to prevent it.
