**What would you do if you began to suspect one of your tenants could be the perpetrator of a vicious double murder committed over thirty years ago?**

It is 1983 and the new owner of the beautiful old Sydney mansion 'Rosalind' begins to believe she is being watched by the mysterious resident in Number Three, a reclusive man who happens to share his name with two teenage sisters, victims of a sinister and brutal murder. Her peace of mind slowly erodes as a fascination with the unsolved crime becomes obsession – consuming her life, shaking relationships with her newfound friends and leaving a trail of devastation.

This is a spellbinding tale, as much a mystery novel with an immigrant's tragedy woven into its centre, as a portrait of women who carry dark secrets but also persevere through the strength of friendship. The Red Door will take hold of your imagination and never let go.
