Frost is a Star Ranger. He travels the star systems, bringing intergalactic fugitives to justice. When a maximum-security fugitive escapes from the mining prison, he is sent after him. Only this time, the fugitive has violated a major law... he has traveled to a distant forbidden planet inhabited by a race that has not mastered space travel yet. Now, he is in a race to find the fugitive before those on the planet known as Earth discover there are not one, but two aliens on their world. Things become complicated when Frost discovers his heart is not as frozen as he thought when a young human female is taken hostage by the fugitive. What he doesn't anticipate is her unexpected resistance - both to the fugitive and to him.

Frost is forced to make a decision that is guaranteed to put him on the most wanted list when he follows his heart and kidnaps Lacey. He knows that some things are worth the risk. What he doesn't know is that Lacey has a few secrets of her own.
