Llegar a la perfección musical del Maestro solo se consigue después de muchos años de experiencia, y dentro de un espíritu curioso, noble, pleno e infantil. Luego de haber desandado el camino, echando la vista atrás, uno reconoce tantos tropiezos, equivocaciones, tiempos perdidos, y oportunidades ahogadas que, como zicatrices, engalanan y curten nuestra piel. Pero también la esencia de lo bien hecho, del camino firme y certero se nos muestra con la claridad de lo sencillo y de lo sublime. En este libro he querido reflejar precisamente esos rayos de luz cierta, la esencia de la experiencia humana, las pinceladas sinceras del que por fin, encontró las respuestas. En este Código Secreto del Director de Orquesta vas a encontrar muy posiblemente contestación a esas preguntas que siempre agitaron tu mente, y que solo después de haber detenido la corriente, y de haberse depositado el lodo en el fondo, las aguas cristalinas permiten ver con absoluta claridad la verdad que se haya escondida detrás de todas las cosas. El Sexto libro de Dirección de Orquesta que en vez de hablar cómo mover las manos habla precisamente de cómo dejar de hacerlo.
