This self-test format review book is organized around DOT topics and designed to pin-point areas where further study is needed. Included is a section on preparing for the National Registry test. Based on the U.S.D.O.T. EMT-Basic National Standard Curriculum, the self-test format helps to pinpoint the subjects students need to study further. Multiple-choice questions sharpen test-taking skills while case studies allow for real-world application. Also included is a section on preparing for the National Registry Exam and an Elective Test Section covering material on Advanced Airway Techniques, ALS--Assist Skills and Infectious Diseases. First Responders preparing for EMT-Basic certification; EMT-Basics preparing for re-certification.
