## Everybody Wants You Dead Ben Mulhern

Chris Chandler was living the dream.

Life as a fifth-year senior had become one massive party. All he would have to do was push through a couple more laughably easy classes and he would graduate. Then it would be right back to drinking, smoking, and chasing tail.

In one night, it all came to a screeching halt.

It began simply enough: A couple of post-bar cocktails, some elbow-bumping with friends and campus elite. But after stumbling into the wrong room, he finds himself suspected of killing his best friend Abbey Peterson. With a sea of partygoers turning on him, he has no choice but to run.

He sticks to Minneapolis side streets and crashes on friends' couches, trying to survive, desperate to clear his name. Until he has enough to come forward, he's going to have to figure out how to stay one step ahead of the police, led by the fiercely determined Detective Hollis Ramsey. With new details and potential players emerging, Chris finds himself in constant peril as he comes to realize Abbey Peterson may not have been as perfect as he once thought.
