## **Harbingers of Books to Come: A Texan's Literary Life** Dave Oliphant

The first major autobiography by a Texas poet, this noteworthy account traces the life and times of a poet, publisher, critic, and teacher from his childhood to the present day. This remarkable life is examined through the works it produced—25 books in the fields of poetry, fiction, translation, jazz history, and book reviewing. Proving that the literary and intellectual life in Texas far surpasses the state's stereotypes, this record shows how the poet was instrumental in connecting Texas with many Latin American writers as well as with a wide world of music.
