Hardware Incubators, The Guide Mathilde Berchon

The first guide by MakingSociety is out !

Welcome to the first guide entirely dedicated to hardware incubators, accelerators and makerspaces for hardware startups.

What are they? How can they help your hardware project? Who should apply, and when? "Hardware Incubators, The Guide" is your compass in the ecosystem, explaining, covering and comparing each program. It's a tool for decision and for action.

Save a tremendous amount of research time and analysis, make an informed decision and apply to the right programs.

What Make Magazine says about "Hardware Incubators, The Guide":

"Berchon's guide shines: the volume breaks notable programs down by location, duration, sectors of interest, funding, and equity.

With gentle nudges Berchon also tacitly recognizes that some Maker Pros might have more technical background than business savvy. Content is intensely practical."
