## Rottweiler Training: The Katz Way Adam G. Katz

Rottweiler Training: The Katz Way shows you the same techniques, strategies and training tools used by Master Dog Trainer Adam G. Katz, the man who has taught thousands of Rottweiler owners how to get their dogs to listen to them, anywhere they go.

As the publisher of a dog training newsletter read by over 65,000 dog owners and having owned three dog training companies (South Bay K-9 Academy, Adam's Las Vegas Dog Training Company and Katz Trains Dogs) the Katz Way is the method for getting maximum results with your Rottweiler in minimal time... using the same methods that Katz uses with his own dogs.

The Rottweiler is one of the most versatile and interesting of breeds. But it can also be one of the most difficult, depending on your individual dog's temperament, bloodlines and nerves.

Rottweiler Training: The Katz Way details a balanced approach to training your dog. Katz has traveled the world and worked with some of the best trainers he could find. Techniques and approaches are borrowed from those who train police dogs, search and rescue dogs, guide dogs for the blind, therapy and service dogs-- and anyone else who must have 100% reliability from their dog.

The Katz Way is not a "purely positive" or "cookie bribery" approach to training. Katz believes that dogs are intelligent, thinking animals. The Katz Way seeks to let your Rottweiler make the decision (instead of trying to restrain or bribe!) If your dog makes the right decision, he receives praise. If he makes the wrong decision, he receives a correction and then the opportunity to make the right decision.

The information in Rottweiler Training: The Katz Way will transform your dog into a happy, reliable and confident companion you can take anywhere and know that he will respond eagerly and joyfully.

Behaviors taught include:

- How to walk on a loose leash without pulling
- Stop annoying behaviors such as barking, biting, jumping up or nipping
- Sit on command
- Stay
- Go to your place
- Lie down
- Come when called, every time
- Heel
- And much, much more!

Highly recommended by top dog trainers from around the world.
