Let go of your insecurities. Take hold of God's promises.

On the outside, many of us are well-put-together churchgoers with trendy shoes, beautiful families, and wide, white smiles. On the inside, we're little girls hesitating at the edge of the playground, wishing we could join in but feeling something's not quite right. We don't know how to truly take hold of the "life to the full" that Jesus offers us. So we settle for a life that's . . . less.

But a mediocre, mundane faith is not your destiny! In this liberating and empowering book, Sharon Jaynes reveals the most common reasons we get stuck in our Christian faith. She shows you how to break free of all that holds you back, move forward with all that God promises, and live the adventurous faith of bold believing. She shows you how to leave behind feelings of inferiority, insecurity, and inadequacy that hold you hostage and take hold of the mountain-moving faith God intends. She uncovers untapped sources of confidence and courage, equipping you to move from simply knowing the truth to actually living it out boldly in a life marked by true freedom and expectancy.
