A Planned Revenge Becomes An Opportunity To Consummate A Long Repressed Taboo Romance.

When Sarah discovered that her fiancée Anthony had an affair with someone from his office, she turned to Stephen, **the boy she grew up with**, for comfort. Together, they devised a plan that would **humiliate** Anthony, and in so doing, **teach him a lesson he will never, ever forget**.

But Sarah had something else in mind. She viewed their plot as an opportunity to **unleash her innermost desires**. For sixteen years, she has always pined for her step, but she always knew that nothing can ever happen between them.

That is about to change as they enact their **revenge** on her unknowing fiancée.

What happens next is a **different kind of affair**, where step siblings will **explore a cornucopia of joys** while an erring partner is forced to watch, where ecstasy will be derived by **regressing to an age** when one is most helpless and vulnerable and **without protection**, where **diapers** and **feeding bottles** will be used as instruments of rapture, where being **struck by a mighty hand** will bring pleasures beyond compare, where discoveries will be made about the **true nature of passion** and how it affects each of them in ways they never even thought were possible.

In the end, their beliefs about **love and lust** will be changed forever.

WARNING: This work is intended for 18+ readers only. The contents include graphic scenes of sexual acts, controversial subject matters, taboo relationships, and a multitude of adult situations. Reader discretion is strongly advised.
