Out of this world read!

Had me gripped all the way. Could not put it down. Fantastic real life raw emotion.

If you want an emotional, hot, exciting, blow your mind kinda read then Carnage is what you need

There is no way I can describe this book to you. If 10 stars were an option it still wouldn't be enough.

I'm declaring this book my most favorite book of 2014..."how can you be so sure' I hear you asking ....simple  
It was **BRILLIANT**

I love him, from the instant I set eyes on him when I was just 11 years old I have loved him and nothing will ever change that, he owns me, he owns my heart and he owns my body and no matter how many lies are told, no matter how many people conspire to keep us apart, despite the fame and the distance, we will find a way. "Georgia Rae, when we made love you used to cry".... He waits for me to sing my bit. I try to swallow down a sob but I just end up singing through it...

"I said I love you like the stars above, I'll love you till I die"

Carnage, an edgy coming of age love story that breaks all the rules and transcends the decades. Georgia and Sean's story will stay with you long after you read the final word.

An emotional, smoking hot, gut wrenching read

This book is for grown ups with an open mind. Sex, drugs and a little bit of rock n roll are involved. There may be tears. Tissues may be required. May contain triggers!
