As IMAX is to a regular movie, so is a wide-screen wall calendar to a traditional one—it makes you feel it. With its innovative panoramic format—the calendar is designed to open on the horizontal, spreading out to 30" by 12"—*Class Cars* captures that particular matrix of speed and beauty, which is the moment when every car guy's reaction suddenly turns from an appreciative “nice” to the involuntary “Sweet!!!”

It's the moment when a sun-yellow Porsche turbo sweeps midway through a mountain turn. When the driver of a growling convertible Mustang looks like he's fighting the g-force. When mag wheels seem to kick off sparks while the roadway dissolves into a blur. Featuring twelve kinetic images of sports cars, muscle cars, roadsters, and racers, *Class Cars* delivers a year of pure power behind the wheel.
