Every night of our lives, we experience between five and seven dreams, each reflecting our most intimate passions and conflicts. Dr. Clarissa Pinkola Estés compares each one to a riddle. Once solved, it can provide a surprising answer to an unresolved question buried within the psyche. On *In the House of the Riddle Mother*, Estés surveys the most common archetypal patterns women experience while dreaming. Based on 20 years of work, this audio seminar is a dense, poetic storehouse of information about the dream life of women. Information is divided into 17 instructive sections, each devoted to analyzing distinct dream motifs.
