Nothing But Trouble: A Kevin Kerney Novel (Kevin Kerney Novels) Michael McGarrity

After years away on the pro rodeo circuit, Johnny Jordan struts into Santa Fe to ask his boyhood friend, Santa Fe Police Chief Kevin Kerney, to serve as a technical advisor on a contemporary Western movie to be filmed along the Mexican border. Kerney agrees and plans a working vacation on location in a remote area of the state known as the Bootheel with his wife, Lt. Colonel Sara Brannon, and their three year old son, Patrick. But a dead man on a road near an isolated border crossing, a federal undercover investigation into immigrant smuggling, the search for a fugitive from military justice hiding somewhere in Europe, and Johnny Jordan's troublesome behavior ensure that nothing goes as planned.

As separate investigations embroil Kerney and Sara in circumstances that will forever changes their lives, Kerney must care for Patrick while Sara plays a dangerous game of Pentagon politics. Packed with family secrets, international intrigue, and memorable characters, this is McGarrity's most ambitious and involving novel to date, traveling an accelerating arc from Santa Fe to the desert grasslands and mountains of the Bootheel, the most secret levels of the Pentagon, a resort town on the coast of Ireland, and back to an adrenaline-charged climax on a desolate landing strip a few miles north of the Mexican border.
