The Life of Herbert Hoover: The Engineer 1874-1914 George H. Nash

This volume launches what will be the definitive biography of one of the most accomplished yet elusive and misunderstood figures in American history. Herbert Hoover (1874-1964) was a man of remarkable achievements and a succession of careers who spent over fifty years in public service. Yet, to this day, he is one of America's least known leaders, a man stigmatized because he served as president during the grim early years of the Great Depression.
