Book One: The Last Woman

When Abby Bailey meets former model and actor, Airen Holder, in a darkened department store, romance is the last thing on her mind. A plague has decimated the population, leaving Abby to raise her son alone in a world without electricity, clean water, or medical care. Her only priority is survival.

Traumatized by the horror of the past months, Abby and Airen become a source of comfort for one another. Damaged by her past and convinced Airen is out of her league, Abby is determined to keep their relationship platonic. However, Airen is a hard man to resist, especially after he risks his life to save hers.

When a man named Joseph falls unconscious in their yard, and Abby nurses him back to health, everything changes. How does love differ in this new post apocalyptic world? Can three unlikely survivors live long enough to find their place in it?

Book Two: Falling Together

In the aftermath of a global nightmare, Abby Holder is living her dream. Married to the love of her life, Airen, and surrounded by friends and family, it seems she's found her happily ever after.

But the struggle of living in a post-plague world is never ending. When circumstances take Airen far away, she's faced with the devastating realization he may be lost to her forever. Broken-hearted, she turns to Joseph, her best friend and the only one who understands her pain. After all, he loves Airen too.

The sound of a car horn in the middle of the night changes everything, leaving Abby caught between the two most important men in her life. After surviving the worst the world could throw at them, Airen, Abby, and Joseph must face the most brutal human experience...true love. Can they overcome the betrayal, the hurt feelings, and jealousy to do what's right for the ones they love?

Their circumstances are far from ordinary. Perhaps the answer is extraordinary as well.

Book Three: Infinite Ties

The more you look to the future, the more the past pursues you.

Abby, Airen, and Joseph have fought and suffered to come together. All they want is to move forward and raise their family with the love they never had.

Unfortunately, the re-appearance of former friends and enemies complicates their lives, threatening to expose closely guarded secrets. With a vital rescue looming, their relationship isn't the only thing at risk. Can they let go of the past in order to hang on to a future with each other?
