Bear Strokes

Chase Highland has given up on finding a mate. Instead he dives into his art, accepting a high-paying job from a prominent senator to paint a portrait.

Claire Lowe hates everything her life has become, but as the senator's daughter she knows there is no way out of her suffocating life. Eyes are always watching her every move. Even the ones of the sexy artist hired to paint her.

Chase is desperate to claim Claire as his own, but she's distant and cold, surrounded by people she can't trust. Can his bear break down the walls keeping him from his mate or will Claire fight to keep her heart locked away?

Bear Treble

Songwriter Dylan Highland has lost the music.

Layla Love is the world's most famous vocal sweetheart. With fans following her every move she can barely breathe, and the need to stay on top consumes her.

When the two must collaborate on Layla's new album, Dylan fights his bear every step of the way. The sassy songstress is everything he wants to avoid.

The more they work together, the more difficult it becomes to ignore the spark between them. Will Dylan's bear let the music bring them together, or will it be the one thing that rips them apart?

The Bear Guard

The Highlands have all been reunited at Highland House, but this clan has an enemy on its back.

Crawford and Mila are rediscovering their love. Striker and Presley are working through the shadows of the past. And Hudson and Riley are overwhelmed with family.

But when an enemy brings them all together, will the Highlands band as one clan or will the evil haunting them tear this bear family apart?

The men will have to do everything in their power to prove to their mates that above all nothing else matters, but to protect and guard the families they love.

All stories are STANDALONES with HEA.
