La Segunda Venida de Cristo, Vol. 2 (The Second Coming of Christ, Vol. 2) (Self-Realization Fellowship) (Spanish Edition) Paramahansa Yogananda

Éste es el segundo volumen de una obra maestra sin precedentes en la que, con sabio entendimiento, el autor revela en detalle la imperecedera fórmula de Jesús para la práctica espiritual diaria y el logro de la comunión con Dios. Siguiendo los relatos y parábolas contenidos en los Evangelios, Paramahansa Yogananda explica, versículo a versículo, la manera milagrosa en que opera la fe, o cómo se alcanza la humildad crística y el amor divino, o el gozo que proviene del servicio desinteresado y de la renunciación interior.

Volume 2 of a 3 volume set. In this unprecedented masterwork of inspiration, Paramahansa Yogananda takes the reader on a profoundly enriching journey through the four Gospels. Verse by verse, he illumines the universal path to oneness with God taught by Jesus to his immediate disciples but obscured through centuries of misinterpretation: how to become like Christ, how to resurrect the Eternal Christ within one's self. This landmark work transcends divisive sectarianism to reveal a unifying harmony underlying all true religions. A groundbreaking synthesis of East and West, it imparts the life-transforming realization that each of us can experience for ourselves the promised Second Coming - awakening of the all-fulfilling Divine Consciousness latent within our souls. Yogananda said: In titling this work The Second Coming of Christ, I am not referring to a literal return of Jesus to earth. He came two thousand years ago and, after imparting a universal path to God's kingdom, was crucified and resurrected; his reappearance to the masses now is not necessary for the fulfillment of his teachings. What is necessary is for the cosmic wisdom and divine perception of Jesus to speak again through each one's own experience and understanding of the infinite Christ Consciousness that was incarnate in Jesus. That will be his true Second Coming.
