Spanking Stories for Misbehaving Men: a femdom anthology Lucy Appleby

Also available as the individual compilations: Bad Boy Story Book 1 and Bad Boy Story Book 2, this bumper anthology features 38 femdom tales (over 57,000 words) of men being disciplined by dominant women. All of the entertaining stories are based on the F/M orientation. Some are humorous, some are erotic; some have a domestic setting, some depict a female-led relationship, whilst others focus on particular scenarios and places and fantasy situations.

The common theme is the women disciplinarians who will stand for no nonsense as they inflict good old fashioned spankings to the deserving, with the help of a formidable array of disciplinary implements. It has to be said that in most of these stories, the disciplined male ends up being sexually aroused. Indeed, within this substantial collection of stories, this appears to be the case for the majority of men who are subject to female domination, irrespective of whether they are whacked by hand, cane, crop or paddle!

Note, this anthology is currently available at a substantially reduced price for a limited period of time.
