Holly West was minding her own business, hiking and photographing, when she heard the plaintive call of distress from a stranded feline. Unfortunately, the rescue left Holly hanging (literally) from a tree branch, contemplating what bones were going to break when she hit the ground. A daring rescue from Logan Chandler saves her broken bones and possibly her life.

Logan Chandler wants Holly West. He has for a very long time. She has rejected him before but now he's determined to have her. Blackmail, seduction and threats gets her into his bed. But can he keep her there?

18+ Only. This book contains graphic sex, graphic language and includes reluctant sex. This has a romantic element but contains very explicit material.
