Beginning Farming and What Makes a Sheep Tick Lowell T. Christensen

This is a humor book about farming, or about ranching, which sounds more adventurous. It s a farm if you plant wheat. If you plant radishes, it's a garden. It's a ranch if you own a beef cow or if you get tired of your milk cow stepping in the milk pail and transform her into hamburger. If you own sheep, it's a sign you need your head examined.
