Bessie's Fortune Mary J. Holmes

Bessie's Fortune from Mary Jane Holmes. Bestselling and prolific American author (1825-1907). Mary Jane Holmes (April 5, 1825 – October 6, 1907) was a bestselling and prolific American author who published 39 popular novels, as well as short stories. Her first novel sold 250,000 copies; and she had total sales of 2 million books in her lifetime, second only to Harriet Beecher Stowe. Portraying domestic life in small-town and rural settings, she examined gender relationships, as well as those of class and race. She also dealt with slavery and the American Civil War with a strong sense of moral justice. Since the late 20th century she has received fresh recognition and reappraisal, although her popular work was excluded from most 19th-century literary histories. Holmes used her experiences in Kentucky for the material of several novels. In 1854 at the age of 29, she published her first novel, *Tempest and Sunshine*. Its central girl characters, Julia and Fanny, were reportedly modeled on the local family of John Singleton and his daughters Bettie and Susan. Bessie's Fortune is a novel written by Mary J. Holmes highly recommended to read.
