Ellen Porter is a stranger to the single life - as much a stranger as she is to facing her same-sex desires. The recent divorcee, desperate to prove that her attraction to women is just a phase, enlists the help of Madame Eve for one night of "getting it out of her system."

Aimee Tran has had enough of the Los Angeles bar-hopping scene. In pursuit of a genuine romantic connection, she discovers Madame Eve and decides that maybe, just maybe, a one night stand will tide her over until she finds The One.

Neither woman expects lust to burn down their preconceived notions - or to crave more than one desperate tryst.
