## **House of Echoes: A True Haunting** Wesley Fox

Jesse and Carol Fox, a couple in their early forties, never believed in ghosts until the summer of 1983. Moving their family into a beautiful, two story Victorian house in Lowell, Arkansas, they thought they found their dream home. The house was over 100 years old, and was large enough to accommodate their entire family. The Fox family didn't know of the house's gruesome past. Murders, suicides, and even satanic worship, was just part of the dark history. Less than a week after moving into the house strange events occurred making them question everything they had ever believed in, even questioning their own sanity. After several unexplained events occurred to different family members among them their year and a half old granddaughter. Jesse and Carol knew they had to get help. Will the family ever be the same after moving into the house, or will the evil in the house continue to echo in the back of their minds? This story is my family's true haunting.
