Reinventing Truth: A New Map of the Spiritual Path and Reality As It Is Edward Mannix

Reinventing Truth, by Edward Mannix, is a work of spiritual non-fiction that challenges many of the popularly held beliefs that have become a sort of conventional wisdom among modern spiritual seekers over the past 40 years. The book highlights times when these beliefs fall down or lead to distorted, undesirable consequences - often times because they are only partial truths not the whole thing. Reinventing Truth leads readers to a richer, more nuanced and ultimately more useful understanding of reality - a more accurate conception of Reality As It Is that can serve as the basis for a happier and more aligned life.
