Jacob E Bembry

On December 8, 2011, Jacob Bembry went into cardiac arrest at work. Co-workers called 911 and began CPR. When EMS arrived, Bembry was clinically dead but thanks to great work by them and a miracle from God, he was revived. At the hospital, doctors gave little hope that he would survive, and if he did, he would never be the same again and could go through life with brain damage -- but God was not through working miracles.
