*Dear Anna,*

*What I have to tell you is difficult to write, but I know it will be far more difficult for you to hear, and I'm so sorry...*

The unfinished letter is the only clue Tara and Emerson have to the reason behind their close friend Noelle's suicide. Everything they knew about Noelle—her calling as a midwife, her passion for causes, her love for her friends and family—described a woman who *embraced* life.

Yet there was so much they *didn't* know.

With the discovery of the letter and its heartbreakin secret, Noelle's friends begin to uncover the truth about this complex woman who touched each of their lives—and the life of a desperate stranger—with love and betrayal, compassion and deceit.
