Cursed with the ability to weave thread into gold, Brie has learned to trust no one. Her parents keep her around so they can gamble their money away and now her boyfriend's only staying because he's got a collection of game systems to grow. When Brie grabs the attention of Stilt, the new guy in town, it changes everything. Brie is a Legend—a character in a fairytale—and she belongs in a realm of magic called Fable. But when she crosses over to the new world with Stilt, she soon learns that the cruel ruler of the realm has taken an interest in her ability-and it could cost Brie her life. Stilt promises that he can help her escape, but in return, he asks for something that she might not be able to give. Can Brie put her trust in Stilt or will she die at the hands of greed?
