The sequel to *Dead Men Walking*, this book encourages men to discover what it means to be truly masculine. Baz and Lee once again provide an astonishingly frank, honest, and bold account of what it means to be a man trying to follow the ways of Jesus in the 21st century.

How do men harness their passion and aggression, give everything in relationships, and ultimately attract more "real men" into a genuine relationship with God? This book is for all men but especially for those who are fed up with wearing masks and are desperate for reality with God, each other, and themselves. Packed full of quotes, humor, information, and true stories, it's raw, gritty, and a breath of fresh air. There are questions for discussion at the end of each chapter.
