## **Super Color Picture Mazes** Conceptis Puzzles

Kids are going to love these mazes! Conceptis has given this ancient puzzle format a modern twist—all the potential pathways are imprinted with small colored dots. Draw a line along the correct twisting path with one of the six colored pencils included, switching colors when the dots change colors. Finish the puzzles successfully and surprise images will appear: a scarecrow, ladybugs, cherries, a paraglider, a toucan, a sand castle, and more.
