## **Voluntary Committal** Joe Hill

From the *New York Times* bestselling author of *NOS4A2* and *Horns* comes this e-short story—from Joe Hill’s award-winning collection *20<sup>th</sup> Century Ghosts*.

*Imogene* is young and beautiful. She kisses like a movie star and knows everything about every film ever made. She's also dead and waiting in the Rosebud Theater for Alec Sheldon one afternoon in 1945. . . .

*Arthur Roth* is a lonely kid with big ideas and a gift for attracting abuse. It isn't easy to make friends when you're the only inflatable boy in town. . . .

*Francis* is unhappy. Francis was human once, but that was then. Now he's an eight-foot-tall locust and everyone in Calliphora will tremble when they hear him sing. . . .

*John Finney* is locked in a basement that's stained with the blood of half a dozen other murdered children. In the cellar with him is an antique telephone, long since disconnected, but which rings at night with calls from the dead. . . .
