Digital Home Recording - Tips, Techniques, and Tools for Home Studio Production Carolyn Keating, Craig Anderton

Many musicians record their own songs, making CDs and distributing their music on the Internet. This book is aimed at the musician, filmmaker and multimedia developer who wants to produce their own digital recordings. The editors of "Keyboard Magazine" show readers how to achieve professional quality results in their home studio. The book covers how to choose the right equipment and software and digital audio techniques, including high disk recording. Tips and tricks are provided and it recommends the best music recording for video and multimedia projects.
