L. K. Brass

Le contrat de l'Apocalypse (Volume 1) (French Edition) L. K. Brass

Une histoire actuelle qui pourrait impliquer n'importe qui. Argent, amour, complots financiers et attentats se croisent en une séquence irrésistible. Une intrigue captivante où chaque événement a deux faces, surprenant le lecteur et l'amenant à découvrir des aspects inattendus de notre réalité de tous les jours. Pourquoi la direction de la Banque Centrale Européenne nie-t-elle obstinément que le plan d'achat illimité d'obligations entraîne des pertes colossales ? Pourquoi les analyses économiques du professeur McGregor font-elles tellement peur ? Pourquoi un homme béni par les dieux décide-t-il de mourir ? « Je vivais la meilleure des vies, mais un coup de fil suffit pour comprendre que la fin était proche. » Un homme disparu et oublié depuis des années luttera pour trouver des réponses à ces questions. Ses recherches lui permettront de reconstituer le puzzle, redécouvrant, en même temps, les sentiments les plus profonds, qu'il croyait enfouis à jamais. Poursuites, rebondissements et déguisements révéleront un complot financier qui est en train d'épuiser la BCE et les économies européennes, et qui risque d'aboutir au chaos économique total. Le roman de L.K. Brass entrelace l'espionnage informatique et les grandes spéculations financières avec la lutte de personnages qui ne veulent pas se résigner et dont les affaires personnelles se mêlent à l'actualité la plus pressante. Une intrigue captivante et homogène dans laquelle l'analyse des mécanismes de spéculation suggère une réflexion plus ample sur la réalité troublée d'une finance toute-puissante.
