Songlines of the Soul: Pathways to a New Vision for a New Century Veronica Goodchild PhD

The title for this book comes from the ancient Aboriginal concept of "song lines" --pathways to another world reached through dreamtime and visionary insight, and encounters with the unknown realm of experience.

Veronica Goodchild addresses how dreams, synchronicities, UFO/ET encounters, Crop Circle mysteries, and NDEs all point to the new unfolding vision of reality. She draws on ancient mystery traditions to explore how this metamorphosis is already reflected cross-culturally in Hopi, Aztec, Mayan, Hindu, Tibetan, Maori, Zulu, Dogon, and Egyptian cultures.

Songlines of the Soul proposes a new paradigm of reality, a new worldview. The signatures of this new reality are arising both in our own experiences and all around us if only we can stretch wide our stubbornly held perceptions of what is "reality." As we stand at a crucial turning point in our human history, this book offers hope, a call to awaken and expand our perceptions of the fundamental principles that orchestrate reality.

In an age when the answers offered by governments and traditional religion are no longer sufficient, the quest for meaning must--as it always has in the past--arise first through visions, dreams, and journeys to other dimensions of consciousness.
