The Daughters of Lem witnessed and survived the tragic event that forever transformed them. Orphaned, frightened, fiercely independent, the four sisters fought defiantly to raise themselves. But Lucille, Louise, and Nell Rose could not defeat the notion of a Lem bad seed; they chose to remain childless. Only Dorothy sought to achieve what she perceived to be a “normal” life as a wife and mother. In the process, she discovered her power as an independent woman. Her own three offspring became a new generation of the Daughters of Lem, and fortunate participants in their mother’s improbably joyful journey.
