The Widow Spy Martha D. Peterson

The Widow Spy is the first hand account of a true Cold War spy operation in Moscow, told exclusively by the CIA case officer who lived this experience. She was one of the first women to be assigned to Moscow, a very difficult operational environment. Her story begins in Laos during the Vietnam War where she accompanied her husband, a CIA officer. She describes their life in a small city in Laos, ending with the tragic death of her husband. Then her own thirty year career begins in Moscow, where she walks the dark streets alone, placing dead-drops and escaping the relentless eye of the KGB. Experience her arrest and detention in Lyubianka Prison, as only she can relate it. What she reveals in The Widow Spy has never been told.
