Tim is Simone's stepbrother. She comes to the woods to find him so she can convince him to let her take over his father's company. She's been running it and she knows that he isn't interested in running it. She finds him in the woods and he agrees to help her with one stipulation. She must spend one night with him. Tim is hoping to get Simone out of his system. He knew the moment he met her that she was his mate, but he also knew that Simone would not be content to live in the woods. He can't live in her world without her. Could he convince her in their one night together that he was her mate and that her place was with him?
