**Darkstalker (Wings of Fire: Special Edition)** Tui T. Sutherland

Before the battle of the SandWing queens; before the prophecy and the dragonets sent to save Pyrrhia from endless war; a long, long time ago ... evil was born.

In alternating chapters, this Wings of Fire special edition takes readers back to the very beginning, when powerful, mythical dragons Clearsight, Fathom, and Darkstalker -- the most dangerous dragon of all -- were just dragonets. When the future was bright and uncertain, when no one had been betrayed or had their heart broken.

This is the origin story that changes everything.
