Looking for a place to journal, motivational text and coloring all in one book? Here is a unique book that gives you all of this and more. This book is an interactive companion to help recover from old or present disappointments and experiences. In today's world, it is our human nature to carry our burdens alone. Science currently supports improved healing through integration of healing modalities. The platform of this book joins three different levels: reading inspiring words; art therapy; and writing. You will find strength to face your truth and connect to your inner wisdom. Over time, you will move from the depths of your wounds to flourishing in your renewed trust of self. You will transform your life from sadness into joy. Let this book be a source of hope and share it with others who wish to thrive in the universe.
