This is the story of an inmate in a state's prison system who learned and put to use the gift of gab, proper articulation, a sincere charisma and a sophisticated, undetected, white collar scheme from the confines and restraints of the inside. Through his quest to manipulate the powers that be, on a level unlike EVER before, Maurice manages to seduce the African-American, female Warden that he works for as an aide within the prison. He works her into becoming a major participant in his fraudulent scam that he masterminded and into eventually becoming his 'lady friend' and the mother to be of their unborn child. He, being in need of a for sure way to raise some money to establish legitimate business ventures once he was free, and her, being in desperate need of love and male companionship that had the potential to grow into a marriage, had combined forces for the betterment and "good" of each other. Meeting one another in the facility and slowly but surely getting acquainted on a deep level, had paved the way for the pair to be a dynamic duo, a power couple like no one had ever thought to be possible. Their story begins here.
