Thou shalt not commit adultery.

It's an order Luxi, Sin of Lust, never saw coming. When you work for Lucifer, though, you tend to lay off the questions. She isn't comforted when she discovers her assignment is to intern for a preacher-turned-politician, especially when her directive goes no further. As Luxi prepares for a long ride to nowhere, she can't help but wonder if something else is at play ... or what the King of Hell has up his sleeve.

Grayson Bailey's run for state senate is going nowhere fast. The poll numbers are depressing, his campaign advisor is on the verge of a nervous breakdown, and someone out there has a bullet with his name on it. Yet when temptation herself struts through the door with a sassy smirk and an attitude to match, Grayson finds it very hard to remember which obligations are at the top.

The closer Grayson gets to Luxi, the stranger his life becomes. With Election Day--and a psycho with a gun--just around the corner, he can't afford any detours. And while Luxi never puts her heart on the line, there's something about this man that tests her resolve ... though it might end up costing her more than she can afford.
