**Passing Assessments for the Certificate in Education and Training** Ann Gravells, Susan Simpson

This is an essential text for anyone taking the Certificate in Education and Training, no matter which awarding organisation you are registered with or who your learners are.

It's readable, relevant, easy to understand and gives key advice on approaching and completing written and practical assessments. It helps all learners to understand the requirements of the qualification and to evidence their achievement towards the mandatory units. The book gives advice regarding study skills, academic writing and referencing, reflective practice, teaching practice and observations, and the minimum core.

The book will:

- Help learners with the written assessments towards the five mandatory units of the Certificate
- Give guidance on how learners can demonstrate and evidence their achievement
- Help learners understand the requirements of observed teaching practice
- Give guidance on how to evidence the minimum core requirements of literacy, language, numeracy and ICT
