"My head expanded wider and wider, revolving with inconceivable rapidity, and enlarging in space with every revolution. It filled the room - the house - the city; it became a world, peopled with the shapes of men and monsters. I spun away into its great vortex, and wandered about its expanses as about a universe. I lost all perception of time and space, and knew no distinction between the realities around me, and the phantasmata which sprung in endless succession from my brain." - The Hasheesh Eater.
