I've wormed my way into Jeremy's heart, just as I promised myself I would.

But whereas before, I wanted to be there to strike at him... now, I'm not so sure.

My life is still defined by secrets. Secrets that I can never tell another living soul.

Fey and Robin want to be let in. They want to know what is happening to me.

I have to say no. I have to say push them away because only Jeremy can come on this journey with me. He is always there. He is my only constant. Our lives are irrevocably intertwined.

He won't let go.

I crave peace. But I want it to be real, not just the calm before the storm.

Can I get there with Jeremy Stonehart?

It's a long shot, but right now... I'm willing to try.
