## Annual Editions: Environment 13/14 Richard Eathorne

The **Annual Editions** series is designed to provide convenient, inexpensive access to a wide range of current articles from some of the most respected magazines, newspapers, and journals published today. **Annual Editions** are updated on a regular basis through a continuous monitoring of over 300 periodical sources. The articles selected are authored by prominent scholars, researchers, and commentators writing for a general audience. **Annual Editions** volumes have a number of organizational features designed to make them especially valuable for classroom use: a general introduction; an annotated table of contents; a topic guide; an annotated listing of supporting World Wide Web sites; **Learning Outcomes** and a brief overview at the beginning of each unit; and a **Critical Thinking** section at the end of each article. Each volume also offers an online **Instructor's Resource Guide** with testing materials. *Using Annual Editions in the Classroom* is a general guide that provides a number of interesting and functional ideas for using **Annual Editions** readers in the classroom.
