### Roping Love

Carrie Stewart is a dedicated horsewoman. She runs a successful breeding and training program. She is a good friend, a good sister and a favorite aunt, but she has been burned by love. Carrie has never gotten over her first love, roper Chance Ryan. When Carrie takes her ten year old nephew, Tyler, to the All American Quarter Horse Congress, fate pushes Chance back into her life.

Chance ran away from her ten years ago, when his father's unexpected death made him responsible for his ranch and family at the tender age of twenty. Now he says he is back to stay. Should she risk her heart again, with the man who left it broken at her feet in the past? Chance is going after her and she will be his. Like a calf in a shoot, he is going to rope her with his love and ride back into her life.

### Chasing Love

In celebration of her thirtieth birthday, Samantha Cross goes out in search of a one night stand. She finds more than she was looking for. A sexy cowboy who rocks her world. But, when he turns out to be her new neighbor, and seven years younger than her, Samantha is terrified that her reputation and new business will both be ruined. How could she be so stupid?

Chase Ryan was looking for the one. He found her and then she disappeared into the night. When fate brings him to her door, with his mother on his arm and holding an apple pie, the fun begins.

Samantha may run, but he is Chasing Love.

### Fetching Love

As a fourteen year old, Megan Malone thought Chad Ryan hung the moon, but the boy of her dreams was already a man. Chad left town for seven years. Now he's back. He's the new veterinarian in town and he's working for her dad, in the Animal clinic that she manages. Never mate a dog from your own kennel, so the saying goes, but...

Chad Ryan is a dog. The skinny little girl who used to trail after him like a lost puppy, is now a beautiful woman. He has no business even noticing. On the heels of a failed relationship, and the beginning of his career, there is no time for love in his life.

A matchmaking mom and dad, a boisterous yellow lab and fate have different plans. When it's dropped in their path, no dog can resist Fetching Love.
