Keep No Secrets Julie Compton

After the ultimate betrayal, which is more important: trust or forgiveness?

In KEEP NO SECRETS, the controversial follow-up to Compton's debut legal thriller TELL NO LIES, a district attorney struggles to redeem himself after a one-night stand damaged his marriage and professional reputation.

After surviving the private and public fallout from a one-night stand four years before, St. Louis DA Jack Hilliard wants nothing more than to be trusted again by his wife, Claire, and to earn back the respect of the community he serves. Since the day Claire accepted him back into the family, he's vowed to be true to these goals, and so far he's succeeded.

But all of Jack's efforts begin to crumble when the woman involved in his earlier downfall, Jenny Dodson, returns to town claiming threats on her life and asking for his help, and resurrecting for Jack long-buried emotions and questions of her guilt for the murder of a client. Just when he thinks the pressure can't get any worse, his son's girlfriend, Celeste, accuses him of sexual assault, and he suddenly finds himself on the wrong end of a criminal case, battling for his freedom.

Can Jack trust his freedom to the legal system on which he built his career? Or will the ghost of his one-night stand four years before come back to haunt him, causing him to be convicted on the mistakes of his past?

From reader reviews:

Judith Jordan:

What do you concentrate on book? It is just for students as they are still students or this for all people in the world, what the best subject for that? Just you can be answered for that problem above. Every person has diverse personality and hobby for each other. Don't to be forced someone or something that they don't need do that. You must know how great as well as important the book Keep No Secrets. All type of book could you see on many options. You can look for the internet methods or other social media.

Ethelyn Allen:

Book is to be different for each grade. Book for children until finally adult are different content. To be sure that book is very important usually. The book Keep No Secrets ended up being making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The guide Keep No Secrets is not only giving you a lot more new information but also to become your friend when you sense bored. You can spend your spend time to read your guide. Try to make relationship while using book Keep No Secrets. You never feel lose out for everything if you read some books.

Guadalupe Leatherman:

Often the book Keep No Secrets will bring someone to the new experience of reading the book. The author style to spell out the idea is very unique. If you try to find new book to learn, this book very suited to you. The book Keep No Secrets is much recommended to you you just read. You can also get the e-book in the official web site, so you can more easily to read the book.

Karen Schanz:

Playing with family within a park, coming to see the marine world or hanging out with close friends is thing that usually you might have done when you have spare time, then why you don't try point that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Keep No Secrets, you could enjoy both. It is fine combination right, you still wish to miss it? What kind of hang type is it? Oh seriously its mind hangout guys. What? Still don't get it, oh come on its known as reading friends.
