This book is written as support material for those studying for examinations that contain unseen poems for analysis. It encourages students to become involved in the mechanisms of poetry and offers an A-Z of well-known poets or poems that provide essential background information. There is an interpretation and analysis of each poem for students to use to develop their own powers of interpretation and analysis. The book can also be used as a reference from cover to cover; teachers may dip into its contents to provide material for use in class, or they may use it as a quick reference for topics that need covering. It can also be used by students for self-study. They may select particular poems for creating their own material in preparation for examinations or they may choose to use the quizzes as introductions to the subject, to test their knowledge or for revision.
